# WHAT DO I DO NOW?

---

- Think about what you want to do in the future. There's lots of resources to help you decide.
- Talk to parents, carers, your teachers and careers advisors.
- Look at websites: **visit/book on to campus open days or virtual events** and ask questions!
- Think about the pathways open to you and where you would like to study.
- Apply – you can make more than one application and then attend interviews to find out more about the course that you are interested in, before you make a final decision.
