

Post 16 pathways

<https://www.ucas.com/ucas/16-18-choices/getting-started/what-are-my-options/what-qualifications-are-there-for-16-18>

Each pathway can lead to university, work or an apprenticeship. For example, you can study construction at university. Some sixth forms will allow you to take a mix of A-levels and BTec's. Find the path that is right for you. Look at the school, college, employer websites to find out exactly what's involved.
