Consent form for taking and using photos of a pupil

Dear Parent/Guardian,

At Winchcombe School we take the safety of our pupils very seriously. We sometimes take photographs of pupils which we may use in the school's prospectus, on the school's website and on display boards around school. Also occasionally, local or regional press or television may approach the school to take pictures of children. For example, there has been an event at school that they wish to cover, or, the County Council. The Local Education Authority or the school itself wishes to produce a video, literature or create a website which may include images of your son/daughter or a group of children.

It may be that, for personal or other reasons, you do not want an image or photographs of your son/daughter to be taken so it is important that we have a signed form to make your wishes clear.

Please could you therefore tick the relevant box(es) below and return this form to school office as soon as possible.

I give permission for the school to take photographs of my child.

I give permission for the school to use photographs of my child on internal display, school newsletters, school website and prospectus

I give permission for photographs to be printed in the local press.

I give permission for photographs to include their name

I am **NOT** happy for the school to take or use photos of my child.

All the above questions do not include individual and whole school or year group photos.

If you do not wish your son/daughter to have these taken please indicate here:

If you change your mind at any time, you can let us know by emailing admin@winchcombeschool.co.uk.

If you have any other questions, please get in touch.

We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others.
