1. Aims

Raise levels of achievement by ensuring high levels of attendance consistently above the school's target of 96%, punctuality and involvement in the School with an aim towards all students being in school 100% of the time whenever possible.

We are committed to meeting our obligations with regards to school attendance by:

Promoting good attendance and reducing absence, including persistent absence

Ensuring every student has access to full-time education to which they are entitled

Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and Guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

4. Recording Attendance

4.1 Attendance register

We will keep an attendance register, and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment

- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Students must arrive in school by 8.50am each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.30am. The register for the second session will be taken at 12.40pm and will be kept open until 1.20pm.

4.2 Unplanned absence

The student's parent/carer must notify the school on the first day of an unplanned absence by 8.50am or as soon as practically possible (see also section 7).

Parents can report absence via telephone (school switchboard number), email (to absence@winchcombeschool.oc.uk) or via My Child at School.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment.

Parents can notify planned absence via telephone (school switchboard number) or email (to absence@winchcombeschool.co.uk).

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A student who arrives late:

Before the register has closed will be marked as late, using the appropriate code

After the register has closed will be marked as absent, using the appropriate code

Lateness Concerns are identified through:

- Monitoring of the sign-in app weekly to identify >3 lateness within a given term lists communicated to Heads of Phase for follow-up

- Further lateness triggers a parent letter to remind parents of expectations
- Sanctions issued where appropriate in line with Behaviour Policy
- Parental and Student meetings for persistent lateness
- AIM plans used to support improved punctuality

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by 11am of the first day (and subsequent unreported days)
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

4.6 Reporting to parents

Students' on-going attendance, absence and punctuality is available via BromCom or My Child at School. Parents receive an annual report with their attendance record for the academic year included.

5. Authorised And Unauthorised Absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to students during term time if they consider there to be 'exceptional circumstances' e.g. serious family illness or bereavement. A leave of absence is granted at the headteacher's discretion.

It is very unlikely that requests for holidays or extended leave will be authorised but if parents want the school to consider such a request, they must complete an application for holiday / extended leave form which is available on the school website at least one month before the relevant start date. Family work patterns or the financial implications of going on holiday in term time would not meet the criteria of exceptional circumstances. Parents will then receive a response informing them of the school's decision.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision

5.2 Reducing persistent absence

Persistent absence is attendance that falls below 85%. An absence report is monitored weekly.

- Absence supported by medical evidence is checked
- Students whose absence is declining:
 - Head of Phase is notified for a follow-up to identify reasons, patterns etc. An informal plan is agreed to improve attendance.
OR
 - Parental intervention through letters, phone-call or meeting.
OR
 - AIM plan is written. Referrals to external support may be used to improve attendance.

A risk-assessed home to school transport service may be considered with parental and student agreement. This can only be sanctioned by the Headteacher or DSL.

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for Promoting Attendance

- Attendance and Praise assemblies
- Parent communication around illness and absence
- Yearly attendance prize draw based on weekly attendance
- Termly 100% attendance certificates
- Termly tutor rewards for best attendance
- Winchcombe Weekly updates on House, Tutor and Individual attendance
- Use of attendance tutor groups to target students with attendance concerns

7. Attendance Monitoring

The attendance team at our school monitors student absence on a daily basis.

A student's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a student's absence goes above 5 days, the school will contact the parent/carer of the student to discuss the reasons for this.

If a student's absence continue to decline after contacting their parent/carer, we will consider involving an inclusion officer.

The persistent absence threshold is 15%. If a student's individual overall absence rate is greater than or equal to 15%, the student will be classified as a persistent absentee.

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Attendance is collected on a lesson-by-lesson basis through the school MIS. The information gathered is used to:

- Track the attendance of individual students
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as being in need of intervention and support

8. Monitoring Arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as annually by Assistant Headteacher (Personal Development). At every review, the policy will be approved by the curriculum committee.

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
