

Uniform Policy Addendum (Covid-19)

October 2020

Uniform and PE Kits

- Full school uniform will be expected to worn throughout the day
- On days when students have PE/Games, they will be allowed to wear their Winchcombe School PE Kit throughout the day. Plain black leggings or tracksuit bottoms are allowed (if students do not have school branded kit*). Students will be allowed to change into uniform if they wish following their PE lesson
- Classrooms may feel colder at times, as doors/windows are open for ventilation. Students will be allowed to wear the School hoodie or plain black jumper/hoodie (no logo*) during the day as part of their normal school uniform under their school blazer
- Students should come to school with a warm (waterproof) jacket. Again, this can be worn in lessons if temperatures are low but must be over the full school uniform/PE Kit.

Face Masks

- The school will follow government guidance on the use of face masks in and around the school
- If students are required to wear face masks, we will message parents and students immediately
- We do expect them to be suitable in appearance (nothing that would distract or disturb) and they should cover the mouth and nose
- We do expect students to be mature and responsible when wearing their face masks
- Students must use a plastic bag to keep their mask in when not wearing it
- We also recommend students have a spare mask, especially if using disposable ones
- More detailed guidance can be found [here](#)

Note

*We ask parents to support us in the adjustments we are making to the uniform to provide comfort to students. We ask that any leggings, tracksuit bottoms, sweatshirts or hoodies are plain black with no logos or slogans. These can be purchased for low cost at stores such as Matalan, Tesco, Sainsburys etc. or online e.g. Amazon.

We are taking these actions as we recognise that some families may have been impacted financially by the current pandemic.

If you have any concerns or queries please contact your child's Head of Phase to discuss how we can support you.
