

REP and Careers

REP supports the whole school careers provision. Connections with careers are evidence as follows:

- Display in room 30 of careers which the subject leads to
- Careers information in the Options booklet
- Visit by an ex-student in July 2019 – a display of her advice is in room 30. Two further alumni visits are planned
- Skills focus for Ethics which is regularly, verbally linked to careers

Aspects of the curriculum that link to careers are as follows:

7	Buddhism: right livelihood, right speech, right action & the example of Windhorse Trading Census data analysis and how this is used
8	Doctors and medical professionals Problem solving Governments & political leaders Social conscience Robotics
9	Green businesses & sustainability Hindu & Christian environmental organisations Clinics, nursing and doctors Emergency aid workers – voluntary, social conscience Christian local and global social enterprise & non-profit organisations
GCSE	Army Chaplain UN Security forces Sewa, dana & Hindu charitable work Social conscience: Hare Krishna centre, goshallas Roles in the UK law courts & prisons Christian social action – voluntary and charitable work Animal rights – ethical businesses, farming, organic goods, consumer conscience
Ethics	NHS Government roles and legislation British business in London – social duty Business ethics course (new for 2020) Nursing & hospices Media reporting
